

2016 Camp Beechtree Permission Slips

Upper Merion Police Department

The Upper Merion Police Department will be visiting Camp Beechtree to finger print campers. The police department will NOT be keeping the finger prints, they will get sent home with campers for the parent/guardian. The finger prints will be helpful in the event of an emergency. In order for the police to finger print each camper they must receive a signed permission slip for each camper. If you wish for your child to participate, please sign the bottom of this form.

I, _____, give the Upper Merion Police Department permission to fingerprint my son/daughter _____. I understand the prints will be sent home with my child.
